Commissioners' Report

To the Citizens of Sullivan County:—

In accordance with the usual custom and the law relating thereto, the Commissioners and other officers of Sullivan county herewith present their annual report for the year ending Dec. 31, 1905.

On April 1st the affairs of the county were practically placed in new hands. Two new Commissioners, the Treasurer and a new Superintendent at the county farm entered upon the duties of their various offices.

The county delegation made the appropriation for the years 1905-6 \$26,000 for each year, as compared with \$30,000 for each of the two preceding years. The receipts from the State Board of License Commissioners for the year 1904 were \$4,649.89, and for the year 1905 \$1,406.17, making the receipts for the present year \$3,243.72 less than the amount for 1904. Owing to the change in the law relating to prisoners committed to jail and almshouses for drunkenness, no funds have been received during the year for board of such prisoners.

Of the \$20,000 indebtedness reported last year for expense of building new jail, one note of \$5,000 was paid April 12, 1905. Agreeably to the vote of the county convention, passed Oct. 16, 1903, authorizing the building committee for the new jail to sell the old jail and site, the same was sold at public auction on May 18, 1905, for the sum of \$2,730.

Bills have been paid for a system of heating, plumbing, electric lighting and grading the grounds of the new

jail and other expenses to the amount of \$1,874.77.

By a vote of the county delegation the Commissioners were instructed and authorized to make repairs and improvements on the buildings at the county farm, as recommended by the committee to whom this matter was referred. It was found necessary to put in new foundations on one end and a part of one side of the main building. New sills and a number of new floor timbers have been put in, also some new floors. The room formerly used as a wash room has been divided into two rooms, one of which is used as a pantry which was greatly needed. A part of the foundation under the asylum has been laid over and some new floor timbers put in. Extensive repairs and additions have been made on the system of steam heating and to the water fixtures throughout the buildings. A steam laundry has been installed in the basement of the west wing, formerly used for the insane. The machinery consists of a twelve horse power boiler, a six horse power engine, a one hundred fifty shirt washer, extractor, dryer, with the necessary set tubs, shafting, etc. It has proved to be a great labor saving investment. A great improvement has been made in the sanitary arrangements of the institution. A toilet room with lavatory and bath tub has been put into the Superintendent's cottage; a toilet room has been installed on each floor of both the men's and women's wards, with a bath tub in each room on first floor. At the asylum a toilet room with a bath tub has been put into each ward on first floor. It is an improvement which not only adds to the comfort of the inmates but to their healthfulness as well.

The affairs of the county almshouse since April 1st have been under the direction of Mr. Albert E. Buswell as Superintendent and Mrs. Buswell as Matron, both of whom are well fitted for the positions they hold, and have spared no pains in ministering to the various wants of the inmates. It is sincerely hoped that their services may be

retained for the coming year.

We desire to return our thanks to Mr. and Mrs. A. E. Buswell, Superintendent and Matron at the county farm, and all employes and officials for the able manner in which they have discharged their duties.

PHYSICIAN'S REPORT

To the Commissioners of Sullivan County:

I have to report for the past year four deaths and one birth. The cause of death was as follows: Consumption, 1; apoplexy, 2; old age, 1. The number of deaths is far below that of any previous year for the fourteen years that I have been in attendance at the farm. The general health of the inmates has been very good.

The long needed repairs and improvements have been made to the buildings, and they are in a much more sanitary condition than at any previous time. The only thing that we must soon have is a larger water supply, and that can be obtained without great trouble, but it will cost money.

Superintendent Buswell and wife and their assistants have been attentive and faithful in the performance of their duties, and have taken excellent care of the sick and feeble inmates.

Respectfully submitted,

A. L. MARDEN.

Claremont, N. H., Dec. 31, 1905.

CHAPLAIN'S REPORT

To the Commissioners of Sullivan County:

I have attended to my duties as Chaplain through the year. I have held the regular Sunday afternoon service, and have counseled the inmates and assisted them as I was able. A deep religious interest prevails. I have attended one funeral at the farm during the year.

I have every reason to believe that the inmates are kindly looked after by the Superintendent and his wife.

Respectfully submitted,

REV. C. T. MATTHEWS.

North Charlestown, N. H., Dec. 31, 1906.

SOLICITOR'S REPORT

Criminal proceedings have been instituted during the current year for the following crimes and offences, viz: Breaking and entering, larceny, assault, attempt to burn barn, setting fire on land of another, fornication, and liquor prosecutions classed under the following heads, viz: Selling to minors, without certificate of purchaser, to intoxicated person, for other than for medicinal, mechanical, chemical or sacramental purposes, and selling without license. Committed in the towns of Plainfield, Cornish, Claremont, Charlestown, Newport, Unity, Sunapee and Springfield.

Thirteen indictments have been found; seven of them being liquor cases have been tried by jury, and of the remaining cases for other offences, one was dismissed, and one nol prossed on my motion, one continued, one placed on file, and two respondents pleaded guilty and received sentence.

At the May term Judge Pike ruled (without doubt correctly) "Evidence of an illegal sale by an employee of a licensee would not support an indictment of the licensee for that offence." Thus the difficulty of obtaining convictions of proprietors of licensed places is apparent.

Of the suits on licensee's bonds, four of which are now pending, the suit State vs. Corron, entered November term, 1904, judgment was for the state; but was carried to the Supreme Court on exceptions taken to the ruling of the court by defendant. This was a test case and created much interest throughout the state. Recently the exceptions were overruled, and judgment affirmed; but

has since been modified to admit of further proceedings at trial term.

No civil suits are pending in which the county is a party, and the criminal docket is cleared to date, nothing remaining for trial that could be tried at last term. The grand jury sat but one day at either the May or November terms. In conformity with the Statute no fines, costs or other moneys belonging to the county have been paid to me.

F. H. BROWN, Solicitor.

Claremont, N. H., Dec. 31, 1905.
